Regional CCR&R Services (FY16)

Working families who received education and assistance finding child care (# of children served): 1,970
Child care classrooms/homes that received technical assistance to improve/maintain their quality: 471
Child care professionals who received training and professional development: 2,310

Service Highlights:

Director after attending a Professional Development event: ***"This was one of the best classes I've attended in a long time. Great handouts and resources. The trainer put a lot of time into the class. I would like for her to offer more trainings for us as directors."***

Parent after receiving referral services: ***"When we had our daughter I received referrals to child care programs and education about the importance of child care and how to find the best program for my child. Because of the help that I received I often refer parents that I know to your agency to help with their child care search."***

Family Child Care Home Provider about her Pre-Licensing workshop: ***"I was afraid to venture out and open up a family child care home, but with this training I am excited, ready to get my family child care home open and am sad that the training is coming to an end."***

Child care resource and referral (CCR&R) services across North Carolina are funded by a variety of sources including the North Carolina Division of Child Development and Early Education, local Smart Start organizations, child care, and other businesses, community agencies and private philanthropy (individual, family, corporate and community).
