### Regional CCR&R Services (FY16)

Working families who received education and assistance finding child care (# of children served): 453  
Child care classrooms/homes that received technical assistance to improve/maintain their quality: 136  
Child care professionals who received training and professional development: 922

### Service Highlights:

Teacher about training: ***"I really enjoyed the Connecting the Dots training, it helped me with my evaluation style of the children and helped me make lesson plans that are developmentally appropriate for the children."***

Teacher about Technical Assistance: ***"The technical assistance process has enhanced my teaching and increased the knowledge I needed to meet the needs of the children in my classroom."***

Parent who received referral services: ***"The [referral specialist] was very helpful. [Looking for child care] always makes you nervous, especially with a million things running through your mind. With the specialist's help in explaining things, it put my mind at ease. Thank you so much for what you do and please continue."***
